GSAMN-2027

GLOBAL SUMMIT ON

Advanced Materials and Nanotechnology

May 26–27, 2027

**Paris, France
(Hybrid Conference)**

materials@noblescienceconsortium.com

<https://materials.noblescienceconsortium.com/>

WELCOME MESSAGE

Dear Colleagues,

On behalf of Noble Science Consortium, it is our pleasure to welcome you to the **The Global Summit on Advanced Materials and Nanotechnology (GSAMN-2027)** will be held on **May 26–27, 2027, in Paris, France**. This international summit will bring together leading researchers, scientists, academicians, industry professionals, and students to share knowledge, present innovative research, and discuss recent advances in advanced materials and nanotechnology.

Under the theme “Advanced Materials and Nanotechnology: Driving Innovation for a Sustainable Future,” GSAMN-2027 will highlight emerging developments in nanomaterials, functional materials, biomaterials, energy materials, smart technologies, quantum materials, and advanced manufacturing.

The summit will feature keynote lectures, plenary talks, technical sessions, poster presentations, and networking opportunities designed to foster collaboration between academia, research institutions, and industry.

GSAMN-2027 provides a premier platform for exchanging ideas, promoting scientific innovation, and exploring practical solutions to global challenges in energy, healthcare, electronics, sustainability, and industrial development.

Researchers and professionals worldwide are invited to participate and contribute to shaping the future of materials science and nanotechnology.

ABOUT THE CONFERENCE

ABOUT THE CONFERENCE

- ✓ Present the latest breakthroughs in advanced materials and nanotechnology
- ✓ Highlight cutting-edge research in nanomaterials, smart materials, and functional materials
- ✓ Promote interdisciplinary collaboration among academia, industry, and research organizations
- ✓ Encourage innovation in sustainable materials and green manufacturing technologies
- ✓ Showcase advances in biomaterials, energy materials, and electronic materials.
- ✓ Foster translational research and technology commercialization.
- ✓ Strengthen international research partnerships and scientific cooperation.
- ✓ Support knowledge exchange through keynote lectures, technical sessions, workshops, and panel discussions.
- ✓ Provide networking opportunities for scientists, engineers, industry professionals, and young researchers.
- ✓ Inspire the next generation of researchers by promoting education, innovation, and global collaboration in advanced materials and nanotechnology.

WHO SHOULD ATTEND?

- | | |
|------------------------------|----------------------------------|
| ✓ Materials Scientists | ✓ Emergency and Trauma Surgeons |
| ✓ Nanotechnology Researchers | ✓ Polymer Scientists |
| ✓ Materials Engineers | ✓ Physicists |
| ✓ Nano scientists | ✓ Chemists |
| ✓ Chemical Engineers | ✓ PhD Scholars |
| ✓ Mechanical Engineers | ✓ Industry Professionals |
| ✓ Biomedical Engineers | ✓ Faculty Members and Professors |
| ✓ Metallurgical Engineers | ✓ Postdoctoral Researchers |

SCIENTIFIC SESSIONS

- Advanced Functional and Intelligent Materials
- Nanoscience and Emerging Nanotechnologies
- Advanced Materials for Clean Energy
- Materials for Hydrogen Economy
- Sustainable Nanomaterials and Green Manufacturing
- Advanced Materials for Environmental Applications
- Biomedical Materials and Regenerative Engineering
- Nanomedicine and Precision Healthcare
- Quantum Materials and Quantum Technologies
- Next-Generation Semiconductor Materials
- Nanoelectronics and Integrated Nanodevices
- Photonic and Optoelectronic Materials
- Carbon-Based Functional Materials
- Two-Dimensional Materials and van der Waals Heterostructures
- Smart Polymers and Responsive Materials
- Advanced Ceramic and Glass Technologies
- Metallic Materials and High-Performance Alloys
- Composite and Multifunctional Materials
- Surface Science and Interface Engineering
- Thin Film Technologies and Nanocoatings
- Advanced Characterization and In-Situ Analysis
- Computational Materials Design and Digital Materials
- Artificial Intelligence for Materials Innovation
- Additive Manufacturing and Digital Fabrication
- Flexible, Printed and Wearable Electronics
- Sensors, Actuators and Intelligent Systems
- Industrial Materials and Advanced Manufacturing
- Commercialization and Technology Transfer in Materials Science
- Future Trends in Advanced Materials and Nanotechnology
- Open Forum: Emerging Research and Interdisciplinary Innovations
- Others

CONFERENCE HIGHLIGHTS

- ◆ **Opening Ceremony**
- ◆ **International Plenary Lectures**
- ◆ **Distinguished Keynote Speakers**
- ◆ **Invited Speaker Sessions**
- ◆ **Scientific Technical Sessions**
- ◆ **Young Researchers Forum**
- ◆ **Oral Presentations**
- ◆ **Poster Presentations**
- ◆ **Industry Exhibition**
- ◆ **Panel Discussions**
- ◆ **Networking Sessions**
- ◆ **Best Oral & Poster Awards**
- ◆ **Certificate Distribution**

PUBLICATION OPPORTUNITIES

Accepted abstracts will be published in the official conference proceedings. Selected full-length papers may be considered for publication in associated peer-reviewed journals, subject to editorial review and journal policies

REGISTRATION

REGISTRATION CATEGORIES

CATEGORY	PRICES
Speaker Registration	\$699
Delegate Registration	\$799
Student/Poster	\$499
Virtual Speaker	\$399

Note: Group Discounts are available for more than three members.

REGISTRATION INCLUDES

Conference Kit

Name Badge

Certificate

Scientific Sessions

Lunch & Coffee Breaks

Networking Sessions

Conference Proceedings

Abstract Book

IMPORTANT DATES

🏠 **Abstract Submission Deadline**

🏠 **Early Bird Registration**

🏠 **Final Registration Deadline**

🏠 **Conference Dates**

26-27 MAY, 2027

📍 **Paris, France**

Paris, France is known as the “city of light.” It is the subject of countless paintings, novels, poems, and films, and its architecture, museums, and monuments draw visitors from around the world. Paris’s history is only one part of its appeal.

✈️ **Visa Support**

Official invitation letters will be provided to registered participants requiring visa assistance
